Computer Professions on Demand

CPoD

Conceive ❖ Create ❖ Connect

June 23-27, 2024

Each year 20 high school students are selected to attend this leadership program FREE of charge.

No computer skills necessary!

What is CPoD all about?

- Stay on campus at State Technical College of Missouri

- Learn about career opportunities in computer fields

- Go on field trips to area businesses

- Meet other students and gain leadership experience through team projects

- Get free SWAG (stuff we all get)

CPoD is a great experience. But, don't take our word for it—read for yourself what some previous participants thought:
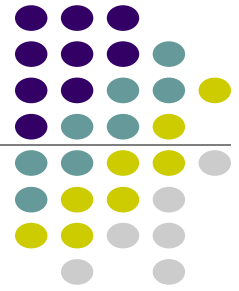

> *"CPoD really opened my eyes to the world of IT."*
>
> *"The camp was amazing. I learned a lot about IT, but I also learned a lot about myself and how much I really do love the IT field."*
>
> *"CPoD was a valuable experience."*
>
> *"I love CPoD!"*
