“Compare Your Lifestyle With Ours”

JUST A FEW BENEFITS OF JOINING THE AIR FORCE

- **Vacation:** *30 Days Per Year With Pay (2.5 days per month)*
- **Sick Leave:** *Unlimited (full pay continues)*
- **Medical Care:** *FREE for Active Member (dependent program separate)*
- **Dental Care:** *FREE for Active Member (dependent program separate)*
- **Vacation Travel:** *Military Aircraft – (FREE). Discount on Civilian Airlines*
- **Social Life:** *Clubs, Swimming Pools, Bowling, Golf, Gyms, Etc.....*
- **Education:** *Comm College of the Air Force, Tuition Assistance, G.I. Bill*
- **Retirement:** *Multiple Options to Choose From*
- **Shopping:** *Base Exchange & Commissary (20+% savings annually)*
- **Living Quarters:** *Dorms or Base Housing – FREE (utilities also free)*
- **Uniforms:** *Initial Clothing Issue – FREE (annual allowance paid)*
- **Security:** *FULL TIME JOB which gives you training and experience, pay check twice a month, no lay off's, consistent promotions (advancement), opportunity to use all our programs and a CHANCE TO SUCCEED WITH YOUR DREAMS*

Community College of the Air Force (CCAF) Fact Sheet

The Only Regionally Accredited College Amongst All Branches of the Armed Forces

The CCAF was activated in 1972 to gain academic recognition for technical training conducted by Air Force schools. CCAF awards the associate in applied science (AAS) degree to enlisted members of the active duty Air Force, Air National Guard, and Air Force Reserve Command. Degree programs are designed to help students meet future technological and leadership challenges of the Air Force by combining Air Force technical training with general education course work from accredited civilian schools. Since military personnel are constantly relocating in performance of their duties, CCAF provides a means for them to complete degree requirements regardless of where they are assigned.

CCAF is the largest community college in the world and is the only community college in the DoD. To date, the college has awarded more than 392,000 AAS degrees to Air Force Personnel. The administrative center is located at Maxwell-Gunter AFB AL. More than 5,700 instructors in more than 100 affiliated schools teach degree-applicable courses. Each year more than 1.6 million semester hours are earned in CCAF classrooms. To date, the college has awarded more than 392,000 AAS degrees.

CCAF offers 68 degree programs in five general areas: (1) logistics and resources, (2) public and support services, (3) allied health, (4) electronics and telecommunications, and (5) aircraft and missile maintenance. Individuals may only participate in degree programs designed for their Air Force occupation. CCAF also develops programs and other academic credentials that offer professional certification and recognition opportunities.

Enlisted personnel are automatically registered in a degree program designed for their AFSC during basic military training. Each degree program consists of 64 semester hours and combines Air Force education and training with a core of general education requirements obtained from civilian colleges and universities or through nationally recognized examination programs. Along with the 64 semester hours, students must hold a journeyman (5-skill) level at the time of program completion and have a minimum of 16 semester hours of CCAF residency applied to their degree program. Residency is defined as credit earned in a CCAF-affiliated school. Table 12.1 identifies the requirements for the typical CCAF degree, the number of semester hours required in each area, and general information on the courses that fulfill those requirements.

CCAF Degree Program Structure.

I T E M	A	B
	Degree Requirements	Semester Hours Needed
1	Physical education	4
2	Technical education	24
3	Leadership, management, and military studies (LMMS)	6
4	Program electives	15
General Education Requirements		
5	Oral communication	3
6	Written communication	3
7	Math	3
8	Social science	3
9	Humanities	3
Total:		64

The U.S. Uniformed Services Blended Retirement System

Active Component

Saving with the New Blended Retirement System

The Fiscal Year 2016 National Defense Authorization Act provides our military force with a modernized retirement plan built for retirement savings. Beginning in 2018, service members can get **automatic and matching Thrift Savings Plan contributions**, as well as a mid-career compensation incentive, in addition to **monthly retired pay for life**. All service members under the current system are grandfathered into today's retirement system, but may choose to opt-in to the new Blended Retirement System.

Pre-2018 Retirement System:

Annuity

$2.5\% \times \text{Years Served} \times \text{Retired Pay Base}$
after completing 20 years of service

Blended Retirement System Components

1 Automatic and Matching Contributions

Automatic contributions are seen immediately

You Contribute	DoD Auto Contribution	DoD Matches	Total
0%	1%	0%	1%
1%	1%	1%	3%
2%	1%	2%	5%
3%	1%	3%	7%
4%	1%	3.5%	8.5%
5%	1%	4%	10%

The DoD automatically contributes 1% of your basic pay to your **Thrift Savings Plan** after **60 days of service**.

You'll see matching contributions at the start of 3 years through the completion of 26 years of service, and...

You're fully vested—it's yours to keep—after completing 2 years of service and it goes with you when you leave.

2 Continuation Pay

Received at the mid-career point

You may receive a **cash payment** in exchange for additional service.

3 Full Retired Pay

Received after completing 20 years of service

$$2\% \times \text{Years Served} \times \text{Retired Pay Base}$$

Calculate your **retired pay base** by averaging **the highest 36** months of basic pay.

You'll gain this monthly annuity for life after completing 20 years of service.

Your Retirement System

Options for Collecting Your Retired Pay

Full retired pay as a monthly annuity

or

Lump sum + **Reduced retired pay as a monthly annuity**

50% or 25% of monthly retired pay annuity bumps back up to 100% at full retirement age (67 in most cases).

If you joined the service or signed a contract to serve:

BEFORE
January 1, 2006

You'll be grandfathered into the pre-2018 retirement system.

AFTER
December 31, 2005
BUT BEFORE
January 1, 2018

You'll have the choice to enroll in the Blended Retirement System or remain in the pre-2018 retirement system.

AFTER
December 31, 2017

You'll be automatically enrolled in the Blended Retirement System.

You can find additional information at <http://militarypay.defense.gov/BlendedRetirement>
